Honorable David M. Lawson

Plaintiffs,

v.

GENERAL MOTORS, LLC,

Defendant.

---

**ORDER GRANTING IN PART PLAINTIFFS' MOTION  
TO SCHEDULE STATUS CONFERENCE**

This matter is before the Court on the plaintiffs' motion in which they ask the Court to convene a status conference to discuss the scheduling of discovery in these consolidated matters.

The Court has considered the motion and the defendant's opposition and finds that the request should be granted in part.

Accordingly, it is **ORDERED** that the plaintiffs' motion for a status conference (ECF No. 89) is **GRANTED IN PART**, and the Court advises the parties that it promptly will convene a case management and scheduling conference after the disposition of the defendant's pending motion to dismiss. The motion is **DENIED** in all other respects.
